## **Chapter 7: Important Notifications and Disclosures**

**The Statement of “ERISA Rights” section has been updated as follows:**

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report (Form 5500), if any, from the Plan and do not receive them within 30 days, you may file suit in federal court. In such case, the court may require NRECA, as Plan Administrator, to provide the materials and pay you up to \$161 a day, not to exceed \$1,613 per request (2021 limit, as may be indexed annually) until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits that is denied or ignored in whole or in part, and if you have exhausted the claims procedures available to you under the Plan, you may file suit in a state or federal court.

**No further changes have been made to your Plan’s SPD.**

All other rules, provisions, definitions, and benefit amounts of the Plan SPD remain the same. If the terms of this SMM and the SPD conflict with any terms of the governing Plan document, then the terms of the governing Plan document will control in all cases.
