REQUEST FOR PROPOSALS

SOUTHWEST ELECTRIC will receive separate sealed proposals for a system wide 27 kV recloser project. The technical documents and scope of service are available to bidders at www.allenhoshallplanroom.com. Bidders are encouraged to download and review documents prior to submission. Bids that do not follow the instructions in section 00100 INSTRUCTIONS TO BIDDERS may be disqualified. The bids may be submitted via hand-delivery, US Mail, or electronic submission. Bids will be received until 10:00 AM local time on December 10th, 2026 at which time all proposals will be immediately thereafter opened and publicly read aloud.

Submit hard copies in a sealed envelope plainly marked on the outside as following:

"Proposal for Southwest Electric Reclosers"

Each hard copy proposal via hand-delivery or mail to:

Southwest Electric
Attn: Hunter Cooper
18671 Highway 61
Lorman, MS 39096

Electronic submission may be emailed to:

hcooper@swepa.coop

For questions regarding the project scope, downloading or submission of the project documents, please contact Scott Burleson of Allen & Hoshall Engineers at sburleson@allenhoshall.com or (901) 261-4639.

The project will be awarded based on the best-qualified submittal and is subject to the approval of the Southwest Electric Board of Directors. The Southwest Electric Board of Directors reserves the right to reject any and all bids and to waive any and all informalities.
